# Purpose

---

Introducing young people to golf and assisting in the development of their skills is an important part of ensuring the long-term future of golf. Windaroo Lakes Golf Club is committed to the development of junior players with the introduction of our Junior Development Program.

# Life Skills

In learning the game of golf, children are introduced to valuable life skills. These are skills that will not only assist them on the course but also in everyday life. Each level of our junior program focuses on developing specific skills such as respect, honesty, sportsmanship and perseverance.

# Membership

---

Discounted club membership is available to all players under 18 years of age. There are two levels of junior membership:

## **Junior - \$469 (17 years and under)**

- o Playing rights 7 days per week (subject to availability)
  - o No green fee's
  - o Access to all member competition times
  - o Saturday course access for youth with a handicap of 0-27
- One off New Member Admin Fee \$40

## **Cadet - FREE when participating in "In Terms Clinics at Windaroo"**

- (15 years and under)
- o Full use of the course on non-comp days or use outside of comp times
  - o Access to practice facilities
  - o GA handicap not available

## Facilities

---

**18 Hole Championship Golf Course** – Windaroo Lakes Golf Course is an 18 hole championship course situated halfway between Brisbane and the Gold Coast. Located along the picturesque Albert River, the Ross Watson designed course offers a challenge to all levels of golfers from the social player to the lowest of handicaps, A Par 72 with an ACR of 73, Windaroo Lakes boasts one of Australia's hardest Par 4, the 437m double water carry 16th hole, known as Snake Gully.

**Practice putting green & chipping range** – adjacent to the Windaroo Lakes Golf Club are both a large practice putting green and chipping range. Both are ideal venues for juniors to perfect their short games.

**Practice range** – a short walk from the Windaroo Lakes Clubhouse is a large practice range. Juniors can practise from both artificial turf and grass and can use the range to hone their long game.

# AUSTRALIA'S NATIONAL JUNIOR GOLF PROGRAM

## ROOKIE

### MY GOLF GRASS ROOTS PROGRAM

An introduction to all things golf.

Learn to play the game from our Qualified PGA Australia Club Professionals using REAL golf clubs and equipment.

Our 8 week term is sure to engage and excite your budding golfer.

## STAR

### READY TO PLAY 3 – 6 HOLES

For golfers who have progressed through the Rookie Program and are now participating in 3 and 6 hole junior club events. With their graduation to Star they move up a coaching group and now focus on specialised training/learning with our Qualified PGA Australia Coaches.

This is where the real love for golf begins- competing with friends and playing for prizes.

## MASTER

### READY TO PLAY 9 HOLES

These guys and girls will have graduated from 3-6 hole club competition to now playing 9 holes in our Junior Monthly Medals.

At this stage, they are representing the club in Junior events and participating in Junior Golf Queensland (JGQ) events. Their coaching is aimed at skill development required to progress up to our Elite Junior Group.

At this stage, some parents will engage in 1-1 Coaching for their Junior Master.

## ELITE

### READY TO PLAY 18 HOLES

Windaroo Lakes Junior Elite's are our 18 hole Junior Players. They have specialised, skill improvement focused training sessions with our Qualified PGA Australia coaches.

These juniors play in the adult club competitions and represent the club at both a Junior and Open level. Some of our juniors through Windaroo Lakes Junior pathways have gone on to play College Golf in America and some have gone on to become Professional Golfer's themselves.

# TERM PROGRAM

**TERM 4 - 10/10/22**  
**8 weeks**

**ROOKIES** Coach Jess

Thursdays 4pm - 5pm

Saturdays 8am - 9am

**STARS** coach Tanner

Tuesdays 4pm - 5pm

**MASTERS/ELITES** Coach Danny

Thursdays 4pm - 5pm

**OPEN (Star/Master/Elite)**

Coach Danny

Saturdays 9:15am - 10:15am

**PRIVATE COACHING**

Available 7 days

## Private Coaching

---

In addition to group clinics, children are also welcome to participate in private coaching with one of our expert PGA professionals. Private coaching allows children to fast track their skill development or to focus on a particular skill.

## Junior Comps

---

While we encourage juniors to practise their golfing skills, we also encourage them to then apply these skills in competition. A monthly medal competition is held on the second Saturday of each month for 18 and 9 hole players from 3pm. Juniors can compete in 3, 6, 9 or 18 hole competitions depending upon their age and skill level. Younger players compete on shortened course formats and prizes are awarded to players. In addition to these, Windaroo Lakes also holds yearly tournament series where both Windaroo juniors and players from other clubs are welcome to compete in.

## Golf QLD Events

---

Junior Golf Queensland provides children with the opportunity to play in Junior Competitions that cater for children capable of 3, 6, 9 and 18 holes. Junior Golf Queensland also provides a list of club run Junior events (Other Junior Events) on their Calendar page. You do not have to be a member of Junior Golf Queensland to play in these events. Information regarding all JGQ events can be found at - [www.golf.org.au/juniorgolfqueensland](http://www.golf.org.au/juniorgolfqueensland)

# Sponsors

---

A huge thank you to our Junior Sponsors
